

Our Motivation

For more than 5 years we are successful in building photovoltaic plants that deliver power without CO₂. Satisfaction of our clients is our motor and confirms us that there is still a lot to do for a better environment. Use our competence - we let the sun shine bright for you!

To contact us, call: 0049 - (0)711 - 68 68 989 -0

For questions or your requests you can also use the contact button to write us an e-mail. There you can attach some documents easily.

With kind regards,
Thomas Peter
CEO
